

National Association of Professional Organizers - Greater Philadelphia Chapter
Drawing Application

Project Thanks
Deadline for Applications: Friday, November 7, 2014
Winner Selected: Tues., November 11, 2014

Name _____ Title _____

Address: _____

Phone: _____ Email address: _____

The winner will experience -

You will first receive a call to schedule a planning session. Then, the organizers will work with the winning person to organize one room. We will bring trash bags, labeling material, and basic necessities needed to purge and sort. Whoever the winner is, we recommend you have plenty of sleep, a good breakfast, and wear comfortable clothes. We'll have questions for you as we transform your room, and teach you how to maintain the space. We NEVER throw anything away without permission.

Where is disorganization causing you the most trouble? If our home office and finances are in disarray, we may worry about money. If our closet and bedroom are disorganized, we start the day with a negative attitude. If our kitchen is disorganized it makes healthful meal planning a challenge.

What room would **you** like to organize? _____

Are there any obstacles standing in the way of organizing this room that we should know about? Knowing this may help us better serve you.

Do you have any pets? Have they ever bitten anyone? If so, can they be temporarily removed while work is being performed?
